

Science 8

Progress Chart

Name:

Start Date:

Textbook #

✓	Unit	Material Covered	A	B	C	Avg %	Date
	1	Cells, the Basic Unit of Life					
	2	Human Body Systems					
	3	Human Immune System					
	Cumulative Test #1 - Cells and Systems						
	4	Properties of Light					
	5	Optical Systems - Mirrors & Lenses					
	6	Human Vision					
	Cumulative Test #2 - Optics						
	7	Characteristics of Solids, Liquids & Gases					
	8	Fluids are affected by Forces, Pressure & Heat					
	9	Natural & Constructed Fluid Systems					
	Cumulative Test #3 - Fluids and Dynamics						
	10	The Water Cycle on Earth					
	11	Oceans control the water cycle					
	12	Water Quantity & Quality affect on living things					
	Cumulative Test #4 - Water Systems on Earth						
	Final Course Grade
